Subject: Bid recommendation

Date: November 7, 2016

After reviewing the bids for Playground Flooring Materials, it is our recommendation that the bid for ENGINEERED WOOD FIBER, be awarded to Play By Design Inc. Their prices of \$2400 per 100 cu. yard load is the lowest bid received.

We recommend that the bid for shredded rubber not be awarded, since we have been unable, to in a reasonable timeframe, obtain sample material to ascertain product suitability. We request the ability to either buy from quotes, or if the quantity makes it necessary, to bid this product separately, at a later date, if needed.
